

Aperitivo is an alcoholic beverage that is consumed prior to a meal with the intention of stimulating the appetite.

Aperitivo derived from the Latin word *aperitivus* means to 'open'. An Aperitivo is meant to stimulate the appetite and tease the taste buds providing a preview to the delights of dinner.

That is the idea behind the Italian Aperitivo tradition. It's a little something to encourage your hunger and get the juices flowing so you can fully enjoy your upcoming meal

Canberra's *Aperitivo* Hour

Thursday - Sunday 5 PM – 6:30 PM
